Navigation Bar: Speakers

The navigation bar can be found to the top left of the screen and is where you can find the different areas of the event space.

Stage Agenda Resource Center Prize Draw+ More! **Speakers**

Speakers

- View a list of our speakers and learn more about them by reading their bio

Speakers

Connect with speakers

 Majeed Ahmad Editor in Chief EDN	 Pierrick Boulay Principal Analyst, Automotive Semiconductors Yole Group	 Dražen Dulović Engineering Manager - Automotive Arrow	 Shihao Fu Technology Analyst IDTechEx
 Kerry Grand Senior Development Manager, Simulink Automotive MathWorks	 Carsten Himmele Marketing Manager Automotive Allegro MicroSystems	 Elad Hofstetter Chief Business Officer Innoviz Technologies	 Shahrukh Kazmi Chief Product Officer Volvo Autonomous Solutions

Engagement Panel

The engagement panel is on the right side of the screen and is where you can engage with the speakers and attendees during the event.

Chat

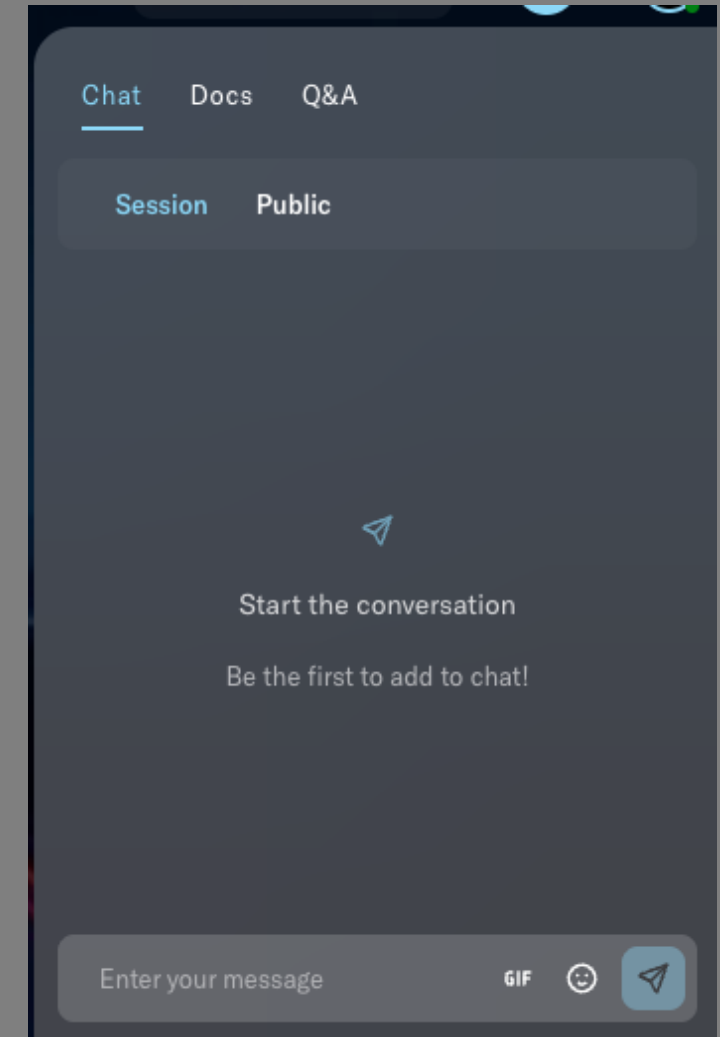

- There are 2 different areas of chat.
 - Session – specific to the session you are viewing to leave your comments and engage with attendees.
 - Public – general chat for the entire event. This is where you can find updates and helpful information.

Docs

- Where you can find the presentations or other relevant resources for download if available.

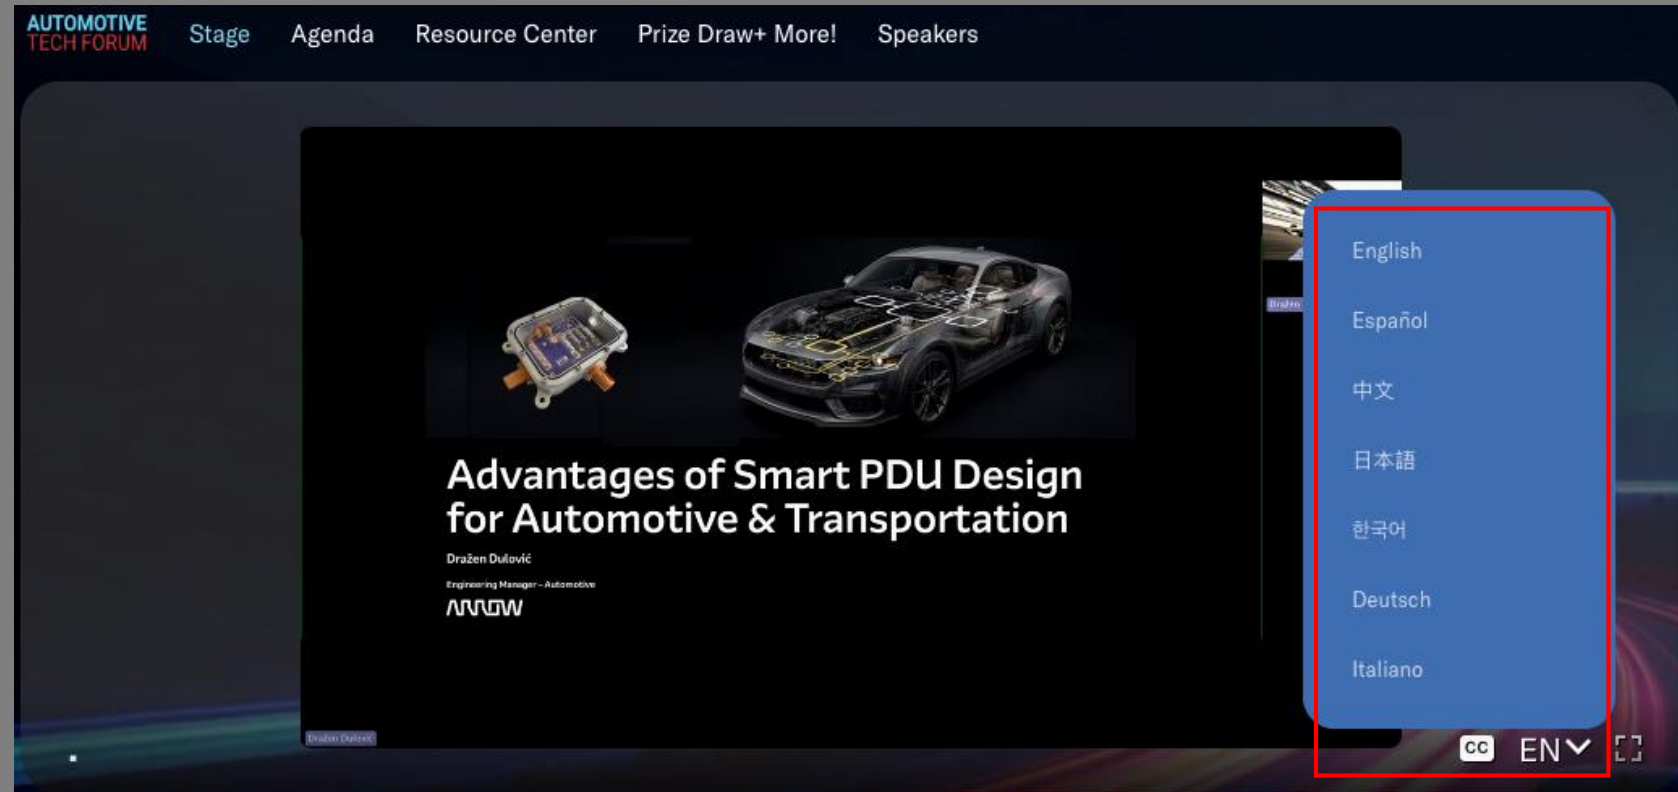

Q&A

- This is where you can enter any questions you may have during the session. This is where the speaker will know to look for questions and will either answer live or via chat.

Captions & Subtitles

Captions and subtitles will be available in **17 languages** for all sessions when viewing live and on demand!

The screenshot displays the Automotive Tech Forum website interface. At the top, a navigation bar includes the forum logo and links for Stage, Agenda, Resource Center, Prize Draw+ More!, and Speakers. The main content area features a video player with a presentation slide titled "Advantages of Smart PDU Design for Automotive & Transportation" by Dražen Dušević, Engineering Manager at ANNO. The slide includes images of a PDU and a car chassis. On the right side of the video player, a blue language selection menu is open, listing 17 languages: English, Español, 中文, 日本語, 한국어, Deutsch, Italiano, and others. At the bottom right of the video player, there are icons for closed captions (CC), a language dropdown menu (EN), and a full-screen button.

Certificate

You can receive a certificate of completion in your inbox by attending a total of at least 4 hours of the event across both days.

This option is exclusive to live attendees.

Win a \$100 Amazon.com Gift Card!

We will be giving away **three (3) \$100 Amazon.com Gift Cards** during the event.

Here's how to enter to win:

- Visit the resource center and click within each of the microsites
- Find the microsites that have the "Prize Draw" resource listed
- Click and open each of these resources to submit your entry.

After the event, any attendee who clicked and opened all of the "Prize Draw" resources found within the microsites will be entered into a prize draw for the chance to win one of the five gift cards.

Winners will receive an email from events@events.mail.eetimes.com with their prize details!

THANK YOU TO OUR SPONSORS

ROHDE & SCHWARZ
